

Publishes October 16 • Closes August 14

**Every picture tells a story.
Here's your chance to tell yours...**

The Image Portfolio Guide is designed to provide high visibility for your the image offerings and capabilities to top-level creative decision makers in agencies, design firms and client companies. This special custom section publishes in the October issue of *Creativity* and on *Creativity's AdCritic* (adcritic.com) for 12 months.

Place your full-page ad in the Image Portfolio Guide and receive an adjacent full-page marketing profile that details your company's image solutions.

Tap into our decision making readers and develop new sales prospects. This guide will be an invaluable year-round resource for creative directors eager to find that one image that speaks for their brand.
